Notes:

1. *Refer to the “Notes on Quran” section of the syllabus. The guidance mentioned is important and teachers are to implement these guidelines.*
2. A lot of emphasis needs to be given to C.L.S.T; the recitation of all children must be clear, loud and slow with Tajweed. Pupils must be reciting fluently.
3. There must be a special focus on tune from the beginning of the year and **pupils should be moulded into reciting in one style and tune.** The teacher must be a role model for this.
4. At no point must the level of Tajweed and fluency “drop”. This usually occurs when teachers become “relaxed” and complacent. It is essential pupils are constantly asked questions relating to Tajweed and errors pointed out.
