Introduction

December 2020

Assalamualaykum, Dear parent,

The holiday starts this week, this is a long period with no Madrasah; hence it is essential you ensure your child has a link with their Madrasa work.

This booklet has been specially prepared so that there is structured revision over this long holiday. Our aim from this booklet is simply to maintain a link with what he have covered so far, so that after the holidays we can carry on from where we left off.

It is a holiday -! Thus, we want you and your child to enjoy this break. Thus, all you need to do is ensure your child revises a page each day for just 10-15 minutes (without any help or assistance), and thereafter you listen to the relevant page. If you really want to benefit from this booklet, then rather than rushing it over the last 3 to 4 days of the holiday, you need to ensure a bit is covered every day.

We have also learnt many Duas, and the best way to remember these Duas is to practically implement them in everyday life.

Please sign off each page every day and return this booklet to the class teacher on the first day back. We will be using this to revise on the first one or two days.

IMPORTANT!

Doing a little bit each day will ensure your child benefits from this resource. Rushing it over the last 3-4 days will not be productive at all.

We request your Duas for the Madrasa and all our pupils, parents and teachers.

Wassalam

Moulana Farook Kazi

On behalf of the teachers

Reception

- ✓ Reception is the foundation towards reciting the Quran.
- ✓ Completing this booklet in the holidays is essential.
- ✓ If you want your child to progress and this resource to be productive, rather than rushing in the last 3-4 days, you **must do a little** everyday (one page).
- ✓ Devote a fixed time for this everyday – the best time is early in the morning.
- ✓ Revisit the same page in the evening – before your child's bedtime.

Spreading the learning over two sessions every day is important.

- ✓ Every year, from all our Reception classes, 1 or 2 pupils must repeat the year. This is due to a lack of consistency in efforts.
- ✓ Consistency on a daily basis is essential – consistency allows “concepts” to slowly “sink in” and your child learns “organically”. You cannot “rush the learning” of a whole year in a matter of a few weeks.

Concluding, the headteacher personally assesses all foundation classes – it is to ensure everyone is on track. If you receive a letter regarding your child's progress, it is important you take relevant action.

Important!
