The companions in the Cave

Answer the following questions correctly.

Who was Decius the Emperor?	Name the different types of idols that Decius made up.	What is the name of the city in which people would trade?	Where is this city located?
Where did the boys run to?	What was strange about the boy's coin?	What happened to Decius?	What was the name of the new Emperor?
What did Decius force his people to do?	What message did the young boys spread?	What did he realise when a crowd formed around him?	What did the new Emperor order to be built?
What was special about this animal?	Who were the brave young boys who lived in the centre of this city?	What punishment did the people face who did not believe in the statues?	When running to safe place, which animal followed the boys?
When the boy approached the city, what did he notice?	Who did Decius not want the people to believe?	What did Decius worship?	What did Decius force his people to do?
What had happened to Decius?	What did the new Emperor order to be built?	What did the young boys do after hearing the response of the Emperor?	When the Emperor heard what they were conveying, what did he do?
