## What is Eid?

At the end of Ramadhan comes Eid!

This Eid is called...

### EID UL FITR!

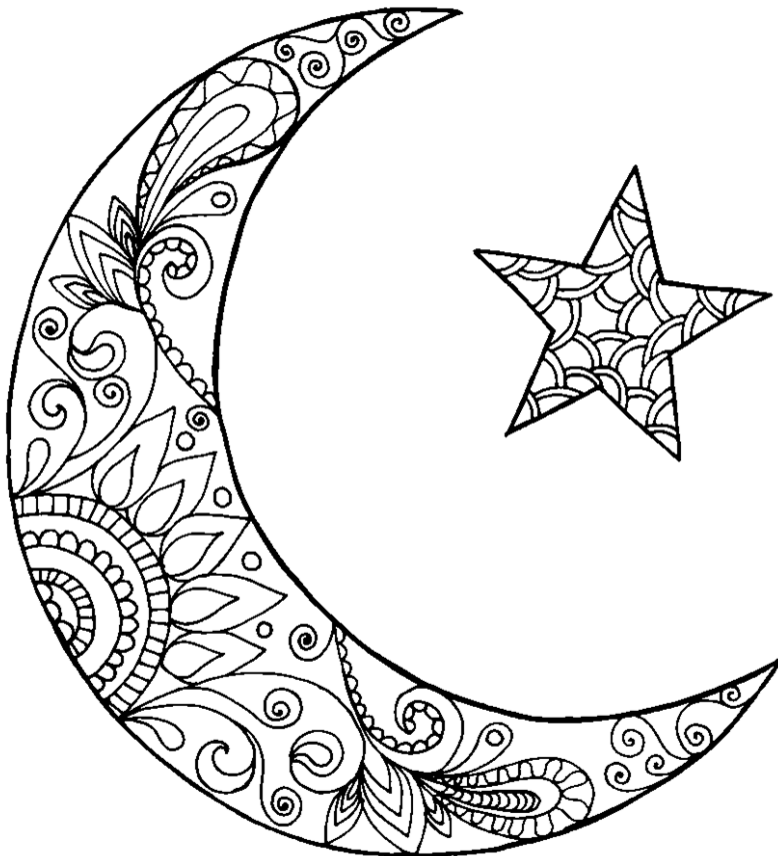

Allah has given us 2 Eid's to celebrate every year. Eid ul Fitr and Eid ul Adha. These days are very special. We should enjoy them and have lots of fun!

## How do we know it is Eid?

In order to know whether it is Eid, we must sight the new crescent at the end of Ramadhan.

Once the moon has been sighted, the month of Shawwal has begun and it will be Eid!

The month will either last for 29 or 30 days.

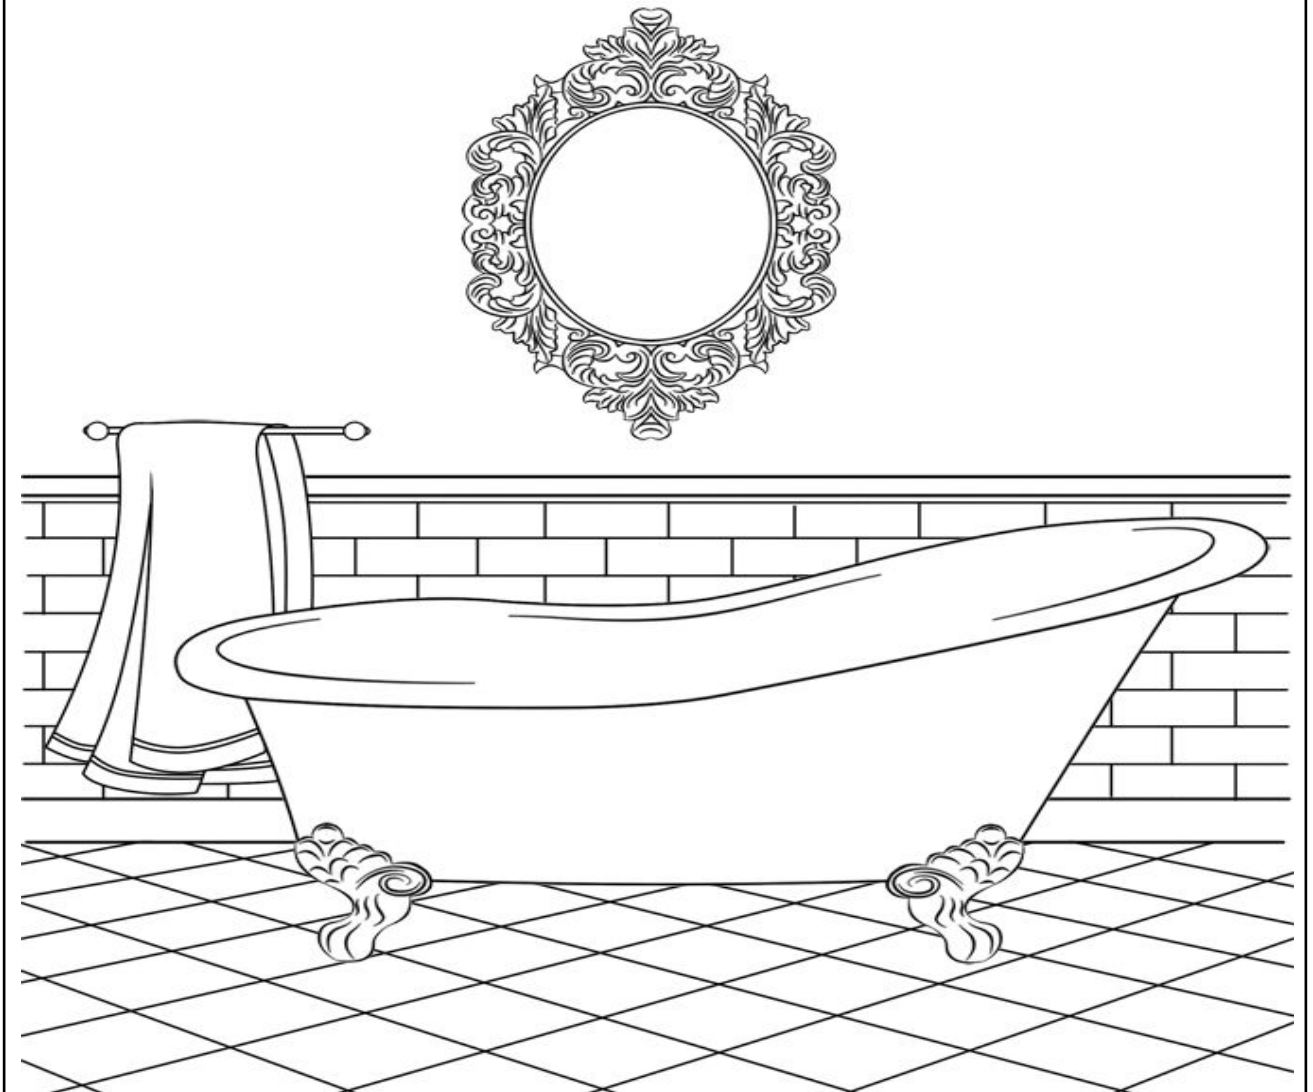

## What should we do on Eid?

There are many things that the Prophet (S.A.W) did on Eid and he taught us. We should follow him and try to do all those things too.

Some of these things are:

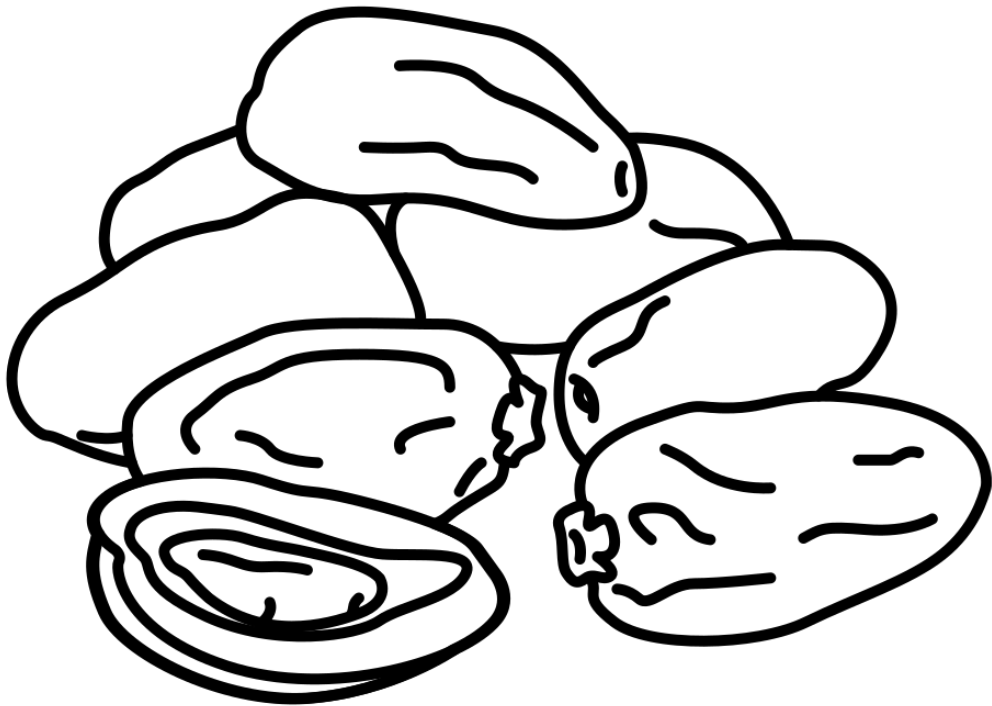

1

Take a bath or a shower!

2

Eat something before you leave the house... it is a Sunnah to eat dates!

Pray Eid Salah!  
This starts after the sun has risen.

Recite the Takbir before Eid prayer.

اللَّهُ أَكْبَرُ اللَّهُ أَكْبَرُ

لَا إِلَهَ إِلَّا اللَّهُ

وَاللَّهُ أَكْبَرُ اللَّهُ أَكْبَرُ

وَاللَّهُ أَكْبَرُ

Congratulate each other for this special day!  
Say, "Taqabbalallaahu minnaa wa minkum"  
or simply "Eid Mubarak!"

6

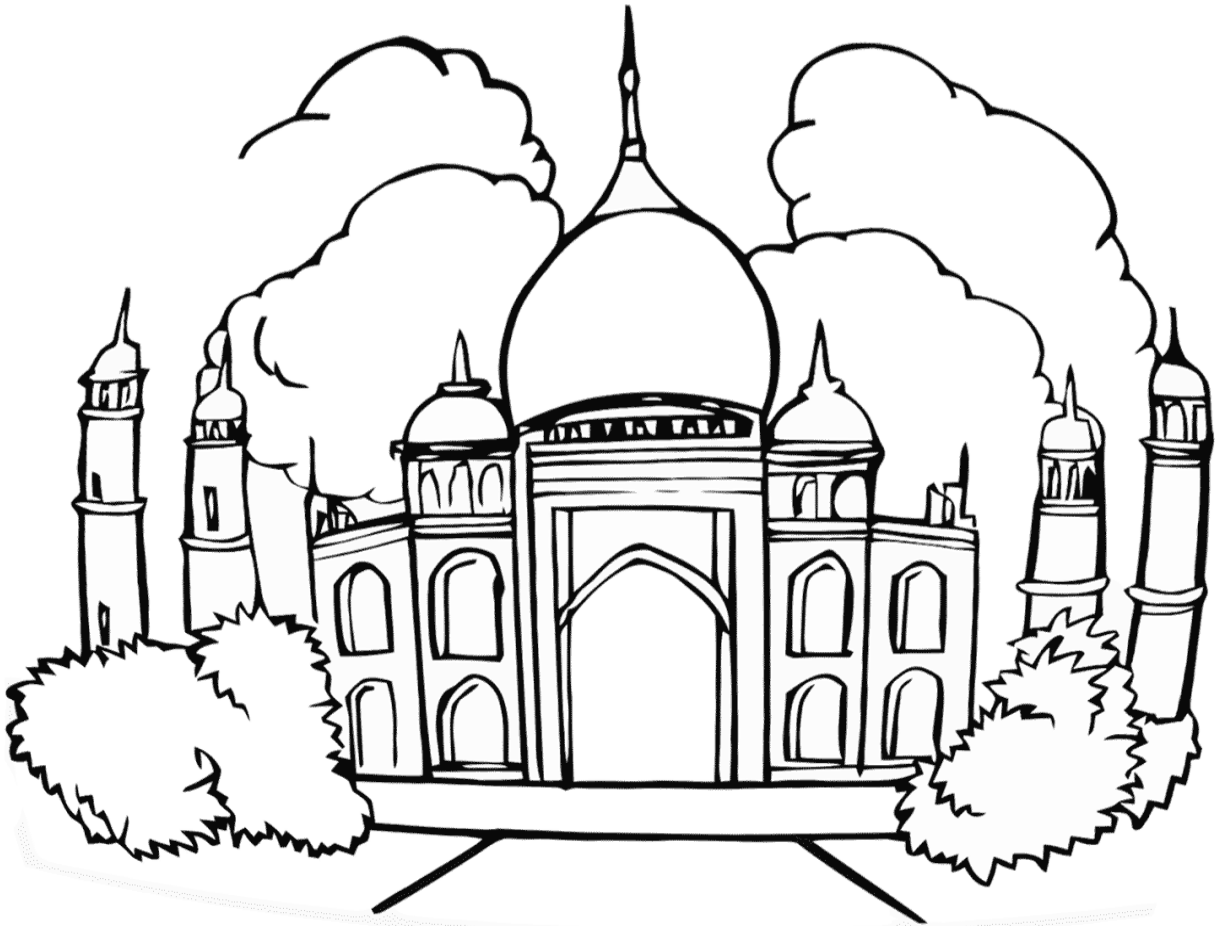

Wear your best clothes or new clothes!

7

Take a different route when coming back from the Masjid after Eid Salah.
