

## حَالَةُ النَّصْبِ Accusative Case

1. You have learnt how to represent the nominative case in singular words and duals.
2. There is a total of three cases:

3	2	1
حَالَةُ الْجَرِّ Genitive Case	حَالَةُ النَّصْبِ Accusative Case	حَالَةُ الرَّفْعِ Nominative Case

3. We will now look at how to represent the accusative case in singular words and duals.
4. Note the following examples (different probabilities) and see how the accusative case is represented. The focus is the predicate of كَانَ.

Reminder:

خَبَرٌ (Fatha)	إِسْمٌ (Dhamma)	كَانَ
The predicate of كَانَ = Accusative Case	The noun of كَانَ = Nominative Case	
كَانَ الْبَيْتُ جَدِيدًا.		

Example 1:

Which one is correct?	Dual <i>All probabilities.</i>	Singular
<input type="checkbox"/>	كَانَ الْبَيْتَانِ جَدِيدَانِ.	كَانَ الْبَيْتُ جَدِيدًا .
<input type="checkbox"/>	كَانَ الْبَيْتَيْنِ جَدِيدَيْنِ.	
<input checked="" type="checkbox"/>	كَانَ الْبَيْتَانِ جَدِيدَيْنِ.	
<input type="checkbox"/>	كَانَ الْبَيْتَيْنِ جَدِيدَانِ.	

Example 2:

Which one is correct?	Dual <i>All probabilities.</i>	Singular
<input type="checkbox"/>	كَانَ الرَّجُلَانِ مَسْرُورَانِ.	كَانَ الرَّجُلُ مَسْرُورًا .
<input type="checkbox"/>	كَانَ الرَّجُلَيْنِ مَسْرُورَيْنِ.	
<input checked="" type="checkbox"/>	كَانَ الرَّجُلَانِ مَسْرُورَيْنِ.	
<input type="checkbox"/>	كَانَ الرَّجُلَيْنِ مَسْرُورَانِ.	

Example 3:

Which one is correct?	Dual <i>All probabilities.</i>	Singular
<input type="checkbox"/>	مَا كَانَ الْبَيْعَانِ مَفْتُوحَانِ .	مَا كَانَ الْبَيْتُ مَفْتُوحًا .
<input type="checkbox"/>	مَا كَانَ الْبَيْتَيْنِ مَفْتُوحَيْنِ .	
<input checked="" type="checkbox"/>	مَا كَانَ الْبَيْعَانِ مَفْتُوحَيْنِ .	
<input type="checkbox"/>	مَا كَانَ الْبَيْتَيْنِ مَفْتُوحَانِ .	

From the above examples, it is clear that:

**RULE:** The predicate of كَانَ is always in the accusative case.

**RULE:** The accusative case is represented in **most** singular words<sup>1</sup> by a FATHA.

**RULE:** The accusative case is represented in **DUALS** by يُن.

Hence, only that Dual will be used in the predicate of كَانَ that has the يُن.

Now note the following examples (different probabilities) and see how the accusative case is represented. The focus is the noun of إِنَّ.

Reminder:

خَبَر	إِسْم	إِنَّ
(Dhamma)	(Fatha)	
The predicate of إِنَّ = Nominative Case	The noun of إِنَّ = Accusative Case	
إِنَّ السَّمَكَ كَثِيرٌ.		

<sup>1</sup> And most broken plurals.

Example 1:

Which one is correct?	Dual <i>All probabilities.</i>	Singular
<input type="checkbox"/>	إِنَّ السَّمَكَانَ كَبِيرَانِ .	إِنَّ السَّمَكَ كَبِيرٌ .
<input type="checkbox"/>	إِنَّ السَّمَكَيْنِ كَبِيرَيْنِ .	
<input type="checkbox"/>	إِنَّ السَّمَكَانَ كَبِيرَيْنِ .	
<input checked="" type="checkbox"/>	إِنَّ السَّمَكَيْنِ كَبِيرَانِ .	

Example 2:

Which one is correct?	Dual <i>All probabilities.</i>	Singular
<input type="checkbox"/>	إِنَّ الطَّالِبَانَ غَائِبَانِ .	إِنَّ الطَّالِبَ غَائِبٌ .
<input type="checkbox"/>	إِنَّ الطَّالِبَيْنِ غَائِبَيْنِ .	
<input type="checkbox"/>	إِنَّ الطَّالِبَانَ غَائِبَيْنِ .	
<input checked="" type="checkbox"/>	إِنَّ الطَّالِبَيْنِ غَائِبَانِ .	

Example 3:

Which one is correct?	Dual <i>All probabilities.</i>	Singular
<input type="checkbox"/>	إِنَّ الْبَابَانَ مُغْلَقَانِ .	إِنَّ الْبَابَ مُغْلَقٌ .
<input type="checkbox"/>	إِنَّ الْبَابَيْنِ مُغْلَقَيْنِ .	
<input type="checkbox"/>	إِنَّ الْبَابَانَ مُغْلَقَيْنِ .	
<input checked="" type="checkbox"/>	إِنَّ الْبَابَيْنِ مُغْلَقَانِ .	

## حَالَةُ النَّصْبِ

### Using the Accusative Case with the Object

- Look at these examples where the sentence contains an object.
- Change the object to a dual.
- Ensure you use the correct dual and are able to explain confidently.
- Do not forget to translate.

Change the object to a Dual.	Singular <i>Verb + Doer + Object</i>	
سَمِعَ الْوَلَدُ الْمُدْرِسِينَ. .....	سَمِعَ الْوَلَدُ الْمُدْرِسِينَ. .....	1
..... .....	أَكَلَ الرَّجُلُ مَوْزًا. .....	2
..... .....	مَا فَتَحَتِ الْمُدِيرَةُ بَابًا. .....	3
..... .....	لَا يَأْكُلُ الْجَزَّاءُ الْخُبْزَ. .....	4
..... .....	تَكْتُبُ الطَّالِبَةُ الدَّرْسَ. .....	5

To practice further, change both the *Doer and Object* to a Dual in the above sentences.

Example:

سَمِعَ الْوَلَدَانِ الْمُدْرِسِينَ.

## Exercise 1

1. Change the following sentences into dual form.
2. Remember gender and number coordination.
3. Analyse each sentence and also determine why *ان* or *يُن* has been used.
4. Do not forget to translate.

Dual	Singular	
<p>.....</p> <p>.....</p>	<p>الْبَقَرَةُ سَمِيئَةٌ.</p>	1
<p>.....</p> <p>.....</p>	<p>الْهَدِيَّةُ ثَمِيئَةٌ.</p>	2
<p>.....</p> <p>.....</p>	<p>إِنَّ السِّكِّينَ حَادٌّ.</p>	3
<p>.....</p> <p>.....</p>	<p>إِنَّ الشَّارِعَ نَظِيفٌ.</p>	4
<p>.....</p> <p>.....</p>	<p>كَانَ الْحَدَّادُ مَسْرُورًا.</p>	5
<p>.....</p> <p>.....</p>	<p>كَانَتِ الْبِنْتُ مُجْتَهِدَةً.</p>	6
<p>.....</p> <p>.....</p>	<p>جَلَسَ الْجَمَاءُ.</p>	7

## Exercise 2

1. Change the doer / object to Dual form.
2. Remember gender and number coordination.
3. Analyse each sentence. Do not forget to translate.

Dual	Singular	
<p>.....</p> <p>.....</p>	<p>شَكَرَ الطَّبَّاحُ.</p>	1
<p>.....</p> <p>.....</p>	<p>لَا يَدْخُلُ التَّاجِرُ.</p>	2
<p>.....</p> <p>.....</p>	<p>مَا أَمَرَتِ الْمُدَرِّسَةُ.</p>	3
<p>.....</p> <p>.....</p>	<p>يَقْطَعُونَ اللَّحْمَ .</p>	4
<p>.....</p> <p>.....</p>	<p>لَا نَمْضَعُ الْبُرْتُقَالَ.</p>	5
<p>.....</p> <p>.....</p>	<p>لَا يَسْأَلُونَ الطَّيْبَةَ.</p>	6
<p>.....</p> <p>.....</p>	<p>يَفْهَمَنَّ الْكِتَابَ.</p>	7

# The Genitive Case

## حَالَةُ الْجَرِّ

Important reminder: Only two things are in the genitive case:

2	1
مُضَافٌ إِلَيْهِ	مَجْرُورٌ

Let us now look at examples in the genitive case. We will start off by looking at the word that comes after a preposition. Ponder over the following:

Dual		Singular	
Incorrect ✘	Correct ✔		
عَلَى السَّبُورَتَانِ .	عَلَى السَّبُورَتَيْنِ .	عَلَى السَّبُورَةِ .	1

Dual		Singular	
Incorrect ✘	Correct ✔		
فِي الْمَطْعَمَانِ .	فِي الْمَطْعَمَيْنِ .	فِي الْمَطْعَمِ .	2

Dual		Singular	
Incorrect ✘	Correct ✔		
إِلَى السُّوقَانِ .	إِلَى السُّوقَيْنِ .	إِلَى السُّوقِ .	3

Dual		Singular	
Incorrect ✘	Correct ✔		
مِنَ الْبَيْتَانِ .	مِنَ الْبَيْتَيْنِ .	مِنَ الْبَيْتِ .	4

From the above examples, it is clear that:

**RULE:** The genitive case is represented in most singular words<sup>2</sup> by a KASRA.

**RULE:** The genitive case is represented in DUALS by يُن. Thus, ONLY that Dual will be used in the مَجْرُور that has the يُن.

Look at these other examples.

The focus is the possessor.

Dual		Singular	
Incorrect ✘	Correct ✔		
قَلَمُ الْوَلَدَانِ	قَلَمُ الْوَلَدَيْنِ	قَلَمُ الْوَلَدِ	1

Dual		Singular	
Incorrect ✘	Correct ✔		
كِتَابُ الرَّجُلَانِ	كِتَابُ الرَّجُلَيْنِ	كِتَابُ الرَّجُلِ	2

Dual		Singular	
Incorrect ✘	Correct ✔		
حِصَانُ الْمُهَنْدِسَانِ	حِصَانُ الْمُهَنْدِسَيْنِ	حِصَانُ الْمُهَنْدِسِ	3

Now put the above three examples into a sentence.

<sup>2</sup> And most broken plurals.

## Conclusion 1

This is the conclusion of everything you have learnt so far.
